

Which Lumenok fits my Arrows?

Lumenok Signature **RED GREEN PINK**

Part # SL, SLG and SLP

The Lumenok Signature is made using a Bohning Signature nock and are available in green, red & pink. The Lumenok Signature is designed for use in arrows with .244" and .245" inside diameter. The Lumenok Signature is equipped with the new Polymeric Battery Holder which allows easy battery replacement and also allows the use of the green Lumenok in Super Uni-Bushing equipped shafts of larger diameters.
