GC101XL Electronic Predator Call Operating Instructions

Thank you for purchasing the ICOTec GC101XL Programmable Electronic Game Call.

This manual will walk you through step by step setup and operation of the unit and the remote. Should you have any questions, please contact us at info@icotec.com.

1 YEAR LIMITED WARRANTY (Register within 15 days of purchase)

Your ICOTec product is warranted to be free of material defects and workmanship for 1 year after the date of purchase. In the event of a defect under this warranty, we will, at our option, repair or replace the product, provided that you return the product postage prepaid. This warranty does not cover damages caused by misuse, improper handling, installation, or maintenance provided by someone other than an authorized service contractor. Any return made under this warranty must be accompanied by the items listed below:

- 1) A check/money order in the amount of \$12.00 to cover the cost of postage and handling
- 2) Name and address
- 3) An explanation of the defect
- 4) Proof of purchase with date of purchase
- 5) Product should be well packed in a sturdy shipping carton with return postage prepaid to the address listed below:

Attn.: Repairs

ICOTec
6415 Angola Rd.
Holland, OH 43528

This warranty gives you specific legal rights.

Specifications and product designs are subject to change without prior notice or obligation.

Setup & Operation Instructions

ICOTec GC101XL Electronic Predator Call

Load Batteries

Slide open battery panel on back of unit, place 4 new AA batteries as indicated then close panel. *Lithium batteries for best results in cold conditions.*

Turn Power Switch On

Slide switch up, until red LED indicator light is on. If it does not light up, open panel and be sure all batteries are new and in proper position.

Select Prey Call

Press button of desired call sound. To play calls in white print on buttons, slide mode switch on side of remote to A, to play those in yellow type, slide the mode selector switch to the B. You can play a second call by selecting a second button, you may switch between mode A or mode B for second call.

Adjust Volume

Press volume up arrow for louder or volume down arrow for quieter.

Add Second Call

Press second desired call sound, both calls play until you select STOP.

End Calls

Press STOP.

Predator Calls

Cottontail Distress	Coyote Female	Gray Fox Distress
Jack Rabbit Distress	Coyote Pup Distress	Woodpecker Distress
Coyote Yip/Howl	Mouse Voles	Crow Baby Distress
Coyote Male	Red Fox Distress	Fawn Distress

Trouble Shooting:

Unit does not play calls - Be sure batteries are NEW and are installed properly, if you press a call button on the remote and the red LED light blinks on the remote, you need to replace the 23A battery in the remote. Remove the screw holding on the battery door, remove, dispose of properly and replace as indicated.
