

TFXTM PRO

NEW!

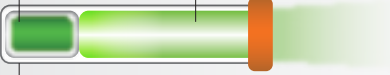

NEXT GENERATION TRITIUM + FIBER-OPTIC XTREME HANDGUN SIGHTS

TFX Sights are always ready—made from ultra-tough, chemical-resistant materials and providing a bright sight picture both day and night, helping you stay prepared for any scenario. TFX PRO takes it to the next level, offering a contrasting colored front focus ring and U-notch rear sight design for faster sight acquisition and improved accuracy. Additionally, the rear sight features an aggressively angled front edge for emergency one-handed operation. TFX PRO sights are designed for shooters who require the absolute best reliability, visibility, and accuracy.

TRITIUM VIAL
Glowes constantly.

FIBER-OPTIC
Gathers and directs surrounding ambient light.

HERMETICALLY SEALED TFX CAPSULE provides maximum protection of Tritium and Fiber-Optic elements from oils, chemicals, & cleaning solvents.

TFXTM Pro
TG136L1PC

FEATURES

* Novak® LoMount cut replacement sights are designed for 1911-style handguns with existing fixed Novak® LoMount dovetail cut slides, however some fitting may be required. Installation by a competent gunsmith is recommended.

Please note that manufacturers may periodically change specifications. We suggest contacting the manufacturer directly regarding specifications before purchasing. Due to gun manufacturers' machining tolerances, point-of-impact may differ slightly.
