

## RCI - XM2BE Replacement Magazine System for Benelli Vinci and Super Vinci

# Installation Instructions

**For all models available, first and foremost, make sure your gun is clear of all ammunition and in a safe condition.**

Please read ALL instructions before beginning. Always wear safety glasses when working on your gun.

1. Following the gun's instruction manual, remove the existing factory magazine tube and replace with your new RCI XM2BE magazine tube.

**Congratulations**, you are ready to go to the range.

Note: Although a Barrel clamp is not required for this system, we highly recommend using one if you plan on high volume use of heavy shot loads to avoid possible damage to the tube and barrel lock lugs. RCI is in NO way responsible for damage to your gun.

All Roth Concept Innovations ("RCI") products have a 1 year limited warranty. The warranty applies towards defects in materials or workmanship. Any repairs or modifications not done by RCI voids any warranty.

Disclaimer - ALWAYS PRACTICE SAFE FIREARM HANDLING!!! DO NOT POINT GUN AT YOURSELF OR ANYONE ELSE, EVEN WHEN LOADING! KEEP HANDS CLEAR OF BARREL! Roth Concept Innovations LLC is not responsible for any accidents/injuries that could occur while mishandling/misusing any of our products, or any other unsafe actions performed by user, including but not limited to: unsafe firearm handling. WHEN LOADING GUN, HAVE SAFETY ON! DO NOT LOAD AMMO IN CHAMBER UNTIL YOU ARE READY TO FIRE. IN CASE OF MECHANICAL ISSUES WITH YOUR GUN or any RCI Products, REMEMBER TO ALWAYS MAKE SURE YOUR GUN IS SAFE BEFORE ADDRESSING ANY ISSUES (i.e. EMPTY CHAMBER)!

Disclaimer - U.S. Regulations: It is your responsibility to know and follow All, Federal, State and local gun laws regarding owning, possessing, using, buying, selling, distributing, or any other aspect in respects of Roth Concept Innovation's products.
